

Dynamic and motivated second-year undergraduate pursuing a Bachelor of Technology in Computer Science Engineering. Equipped with a strong foundation in programming languages, data science, and technical skills, I am eager to contribute to innovative projects and drive technological advancements within a dynamic technical company.

ACADEMIC DETAILS

Degree	Institutions	Year	C.G.P.A./%
B.Tech	JK Lakshmipat University, Jaipur	2022 - Present	7.5/10
B.Tech	IIT Gandhinagar	Aug 2023 - Nov 2023	-
Class XII	A'S Steward Morris School, CBSE	2021 - 2022	85.5%
Class X	Mahesh Public School, CBSE	2019 - 2020	89%

PERSONAL PROJECTS

Machine Learning Projects

- Iris Flowers Classification, Wine Quality Prediction and House Price Prediction ([GitHub](#))

Data Science Projects

- Stock Prediction, Titanic Classification and Number Recognition ([GitHub](#))

Battery Thermal Management System

- Developed a battery thermal management system using Arduino NANO microcontrollers for E-vehicle batteries, ensuring safety, longevity, and efficient temperature control. (Project done in 1st year of college)

Fundamentals of Automation & Engineering

POSITION OF RESPONSIBILITY

Campus Ambassador - SmartED

- Successfully promoted SmartED's initiatives, forested valuables connections and represented our institution with integrity ([Certificate](#))

Volunteer - IIT Gandhinagar

- Volunteered Tech summit Amalthea

September 2023 - November 2023

2023

SKILL SUMMARY

Technical Skills:

- JAVA ([certification](#))
- Python ([certification](#))
- Data Science ([certification](#))
- C
- Arduino

Other Skills:

- Problem Solving ([certification](#))
- AI Tools ([certification](#))
- Graphic Design ([certification](#))

ACHIEVEMENTS

- Rank 104 out of 190622 and solved 127 questions perfectly from 170 attempts - ProjectEuler+ on HackerRank ([link](#)) 
- Gold level in Python and earned 421 points - on HackerRank ([link](#)) 
- Gold level in C and earned 620 points - on HackerRank ([link](#)) 
- Gold Badge in Problem Solver - on CodeChef 
- Silver Badge in Daily Streak - on CodeChef
